OREON

For dollar spot, brown patch and anthracnose control, apply April – June & Aug – Nov

- > Water-based solution to dollar spot, brown patch and anthracnose
- > Unique formulation of PCNB + tebuconazole
- > Features TurfJet™ formulation for enhanced turf tolerances and expanded application window

TURFCIDE

For snow mold control, apply Oct – April

- > Assured snow mold control performance, backed by AMVAC
- > Provides the longest-lasting Snow Mold control of any product solution offered in the marketplace
- > Over 50 years proven performance with no known resistance
- > TURFCIDE 400 is approved for use and available in all 50 states

AUTILUS

For anthracnose control, apply May – June & Aug – Oct

- > Contact fungicide with multi-site mode of action
- > FRAC group 14 fungicide
- > Key component of a resistance management program
- > Outstanding control of basal rot anthracnose infections

Redemption Process:

AMVAC Rebate Redemption: Fax, mail, or email a copy of your receipt and a copy of the fully completed redemption form below to the AMVAC Customer Service Department (address below) by JUNE 15, 2017. Qualifying redemptions will be completed by AMVAC no later than July 30, 2017. Cash rebates are payable directly to the golf course facility by AMVAC.

GCSAA Certificate (Optional): Golf course superintendents participating in the 2017 AEP Spring Savings Program have the option to redeem rebate(s) as GCSAA gift certificates. To take advantage of this option, follow the AMVAC rebate redemption directions and check the box for GCSAA gift certificates. GCSAA will mail gift checks once you have completed the AMVAC fulfillment process.

All redemptions must be RECEIVED by AMVAC no later than June 15, 2017. Redemptions received after June 15, 2017, will not be paid.
